

**TOWN OF GREENSBORO**

**DRIVEWAY PLOW REQUEST/WAIVER**

2022

Dear Greensboro Property Owner:

The Town has recently contracted with Brian Perry & Sons for a third 3 year contract for driveway plowing. As the town no longer opens driveways upon request, "seasonal use" properties will be plowed from the beginning of the season. If you do not want your driveway plowed for the entire season, please enter an "end date" on the form at the bottom of this letter. It is the property owner's responsibility to mark the driveway and any wellheads, etc. that should be avoided.

In order for your property to be on the plowing list, you must return the bottom portion of this letter acknowledging that you have read and accepted the terms and conditions stated in the driveway plowing policy printed on the reverse side. Please print clearly your name and the address of the property or properties that are to be plowed. If we do not receive your signed acknowledgement, your driveway will not be plowed this season.

Please return the bottom portion.

Sincerely,

Kim Greaves  
Town Clerk

## WINTER PLOWING OF DRIVEWAYS

1. In order to be plowed, a driveway must meet town specifications, as contained in the Town's *"Driveway Design Specifications."* If these are not met, or if the driveway is deemed unplowable due to lack of maintenance, the contractor may refuse to plow your driveway.
2. Your driveway will not be placed on the "Plow List" unless you have signed and returned the damage waiver to the Town Office.
3. The Town has contracted with Brian Perry and Sons to plow driveways, please contact them at 472-6080 if you have concerns.
4. Your 911 number must be visible from the road and be placed high enough to be seen above the snowbanks. If you do not know your 911 number, please call the Town Office at 533-2911.
5. Driveways will be plowed after **5 inches** of snow has fallen. Driveways will not be sanded. If you need sand, you should call a private contractor.
6. Please be prepared to move your car(s) when the plow comes to your driveway. This is especially important if it is blocking the drive. If your car isn't moved, the drive will be plowed only up to that vehicle.
7. The undersigned agrees to ***not*** hold the Town of Greensboro or contractor liable for any damages to property during the course of winter driveway plowing.
