

Greensboro Energy & Climate Action Committee

NEWS ALERT December 2024

Efficiency Vermont offers \$7,500 Rebate program for qualifying 501(c)(3) non-profits

Rare opportunity for nonprofit organizations that provide health, safety or welfare services in Vermont to receive an enhanced incentive, covering 100% of costs up to \$7,500. Funds can be used to purchase up to four pieces of qualifying energy efficiency equipment or complete a qualifying custom project.

If you think your organization qualifies, visit the Efficiency Vermont website <https://www.encyvermont.com/rebates/list/enhanced-rebates-nonprofits> AND call Efficiency Vermont (888-921-5990) and ask to talk to an energy advisor in the business division to discuss your project and confirm that it will qualify.

NOTE: To qualify for the rebate

- Products must be on the Efficiency Vermont list of qualifying products
- You will be required to use Efficiency Vermont network contractors who can work with you on your project.

DON'T WAIT – rebates are available on a first come, first served basis and will expire when funds are exhausted.

Eligible 501(c)(3) nonprofits must be based in Vermont and provide one or more of the following services:

- Food Shelf/Community Kitchen
- Shelter Services
- Domestic Abuse Shelter/Response Centers
- Senior Services
- Veteran Services
- Community Health Centers
- Library/Community/Job Training Centers
- Child Care Centers
- Racial and Social Justice Organizations
- Other nonprofits that can demonstrate that it is providing health/safety/welfare services to vulnerable populations in their community

Effective Date: October 13, 2024 to December 30, 2026 (subject to change)
