Dear Lakeview Families:

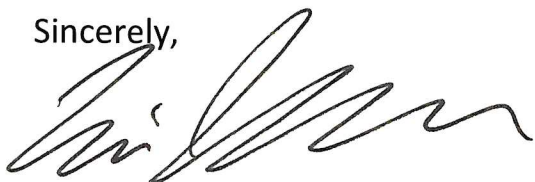

Late in the afternoon on Aug 22<sup>nd</sup>, paint peelings in the town hall were identified as possibly containing lead. As a precaution, we will temporarily move all Lakeview classrooms and activities based in the town hall to the upper building until the concern has been resolved.

Grades 4, 5, and 6 will be temporarily relocated to the gym. Art and music will also have to be relocated to the upper building.

We help students adjust to this unexpected development on Monday, August 27. The safety of students and faculty is our highest priority. If you have concerns about whether your child has been affected, we encourage you to have your child tested by his or her pediatrician.

Please contact the school if you need assistance. We apologize for this inconvenience and hope the issue can be resolved as quickly as possible.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Erwin". The signature is fluid and cursive, with a large initial "E" and "E".
