

Greensboro Energy and Climate Action Committee  
NEWS ALERT OCTOBER 2025

“Envisioning our Energy Future”

Have you stopped to think about what YOU can do to reduce energy use in your home?  
Do you have any sense of what appliances and environmental issues are contributing to YOUR monthly electric bill?  
Do all weatherization improvements to your home have to be out of reach financially?

*TAKE THE GREENSBORO LIBRARY WEATHERIZATION TOUR ON OCTOBER 18TH FROM 2-4 AND LEARN HOW SOME OF THE WORK BEING DONE THERE CAN BE APPLIED TO YOUR OWN HOME.*

Check out Efficiency Vermont's energy calculator  
<https://www.efficiencyvermont.com/blog/how-to/how-much-electricity-does-your-home-use?rate=0.19> you can use to answer some of the questions above.

Check out rebates and tax incentives available to you by searching the rebate page on the EVT website <https://www.efficiencyvermont.com/rebates>

Have a business that needs to implement some energy saving improvements. For a limited time double your rebates. Check out their offers at  
<https://www.efficiencyvermont.com/rebates/list/custom-project-support>

And don't forget you can get a FREE virtual home energy assessment  
Check it out how this works at <https://www.efficiencyvermont.com/services/energy-assessments/home-energy-assessments>

GET PROACTIVE-BE PART OF OUR ENERGY FUTURE
