ECAC News Alert - November 2026

Sign Up for Fuel Assistance

Winter is coming and fuel costs are rising.

Vermont's Seasonal Fuel Assistance program is accepting applications from eligible residents. To qualify, a gross household income needs to be equal to, or less than, 185% of the federal poverty level based on household size.

To find out if you are eligible go to: https://dcf.vermont.gov/esd/fuel/income-guidelines

If a household later needs NEKCA's Crisis Fuel assistance during the winter, the household **must have already applied through the State of Vermont for the Seasonal Fuel Benefit.** NEKCA's Crisis Fuel program operates from the last Monday in November through the last Friday in April for eligible households and may provide a delivery of 125 gallons of fuel, one ton of pellets, or one cord of wood.

Apply now: https://dcf.vermont.gov/benefits/fuel

NEKCA can also provide application assistance for the state program. In addition to Crisis Fuel, NEKCA administers Warmth funding for income-eligible households on a first-come, first-served basis, and NETO can provide assistance for qualifying furnace and oil tank problems.

For more information go to: **info@nekcavt.org** or call NEKCA at **1-855-663-5224**
