Re: Letter of Support for Stuart & Dionicia O'Sullivan

Date: June 11, 2024

Hello Brett,

We are pleased to write to you today in support of the O'Sullivan's building project at 21 Rowdis Rd in Greensboro. They have been great neighbors for many years and from talking with Stuart, we know the camp they wish to build will be much the same as what is currently there now and will have low impact on the surrounding area. Building over the fall, winter and spring will reduce the impact that the construction vehicles and noise will have on the surrounding neighbors.

The O'Sullivan's have our complete support!

Best regards,

Nancy and Richard Bennum
