Hi Brett,

My name is Keith Doyle and my cottage is adjacent to Bob and Carol Calcagni who have submitted an application to the Greensboro, Vermont Development Review Board to repurpose their garage into additional living space. I've spoken with Bob about the planned modifications and have no reservations with the proposal and the impact on the character of the local neighborhood. I fully support the approval of their application.

Feel free to reach out to me if you have any questions.

Regards,

Keith Doyle
