To: Zoning Administrator <zoning@greensborovt.org>, Robert Calcagni <robertcalcagni@gmail.com>, Stew Arnold <stewarnold@hotmail.com>

Hi Brett,

We are aware of the application submitted by Robert and Carol Calcagni to the Greensboro, Vermont Development Review Board to repurpose their garage into additional family living space and understand it is intended for family use. We understand that the garage will remain the same size and appearance. We support this application, and feel their plan fits with the character of the neighborhood.

Becky and Stew Arnold
