

Minutes of Caspian Lake Beach Committee Meeting 5/19/20

Meeting came to order at 5PM at the beach

Present: Aaron Cochran, Bethany Warner, Linda Shatney, Shaun Fielder, Earl Kasper, John Schweizer (representing the Greensboro Association), Christine Armstrong, Peter Romans and Karl Stein (all representing the Greensboro Emergency Response Committee), Suzanne Gann and Ila Hunt

Minutes of the 9/25/19 meeting were accepted as written via email

Covid-19 response and preparedness discussed:

- As per Hardwick Selectboard meeting on 5/7/20 it was suggested that:
 1. Signage be used to notify public of recommendations, reviewed weekly and changed as recommendations change
 2. The Beach Committee continue to post changes to governor's & CDC recommendations
 3. Local police serve as educators, respond to reports of noncompliance which will be relayed to the Attorney General's office because we are posting recommendations, not laws
 4. Signs will be very visibly be posted saying for now "Beach closed" (although amended on 5/20 per updated rules that beaches be allowed to open)- Spark will make the sign as soon as possible and Peter Romans will make the sandwich board to hold it.
 5. Bathrooms will be closed until the CDC recommends safely opening
 6. Notices will also be posted on Greensboro and Hardwick Town websites and Front Porch Forum
 7. Emergency Response Committee will contact Shaun and Ila with suggested changes

Beach Committee agreed to not buy bulk supplies from Willey's

Signs will be posted on bathrooms, picnic tables will be overturned not to be used until further notice.

Committee will meet and evaluate progress after beach opens (no date set).

Meeting adjourned at 630

Respectfully submitted,

Ila Hunt
