

CASPIAN LAKE BEACH COMMITTEE minutes of 9/24/20 meeting held at the beach

Present: Linda Shatney, Earl Kasper, Bethany Warner, Shaun Fielder, Aaron Cochran, Ila Hunt

Meeting begun at 1PM at the beach

Covid update:

- Cleaning & disinfection of bathrooms went well using Earl's employee and paid with help of a \$750 grant from The Greensboro Association
- Supplies were adequate

Treasurer's Report:

- Will get an explanation of the \$425 payment to the Greensboro Fire Department
- Will check about needing a Town Meeting vote to carry over our remaining funds to 2021
- Ask Jon Moffatt about York raking next year (I had asked him to do it every other Saturday this year, but it wasn't done)
- Will ask for \$1500 to be divided among Greensboro, Hardwick and the Greensboro Association added to next year's budget to pay Earl for beach maintenance that he didn't charge this year
- We voted to raise Earl's salary from \$750/ month to \$790/month

So the amounts requested from the towns would break down to \$790 for Ear + \$1500 = \$1090/month = \$2400 + \$1700 = \$3300 from each contributor

Next meeting will be in late May unless otherwise indicated.

Meeting adjourned at 145PM

Respectfully submitted, Ila Hunt
