New Business:

- the 3 granite slabs by the dam- Hardwick Electric waiting for 2 years for VT Department of Natural Resources to give OK to place in the dam
- Extending the parking lot to the grass area in the back was nixed
- the plaque for the granite benches was admired and given to Earl to apply
- Mike Sullivan- Hardwick Electric commissioners, representing the rate payers and owners, ultimately manage the beach real estate
- 2 Replacement silver maple trees were planted 5/17/22 by Hillcrest nursery- Linda and Ila will water daily for one month
- Discussion on the recent accident in the parking lot about considering closing the beach after the 11PM curfew- all agreed to talk with Orleans County Sheriff's Department about options for beach safety and fire department access
- The beach entrance sign has been down, and Earl has asked the Town Road crew to repair and reset it
- The boat wash sign is gone- Ila will ask Stu Arnold of the Greensboro Association about replacing it
- John will talk to John Mackin to explain the water bill
- The opening in the front benches for access to the dam and fire department was discussed, because there is no barrier, and cars are driving through
  - it- Opie will talk to Mike Sullivan
- The swim program will run from July 18 through the 22nd. Teach America to Swim will be conducting lessons
- New swimming area buoy markers are being made by Bob Parrish (who has taken them in and out for years), and he will install soon
