

Minutes Greensboro Recreation Committee Meeting 9/8/2026 (DRAFT)

Attendance: Jennifer Ranz, Dede Stabler, Ila Hunt, Ricky Albores, Burr Gray (on line), Michael Malick, David Kelley

Meeting called to order 9:05 A.M.

Minutes from 6/8/26 meeting approved

Michael Malick was added to the Rec Committee at 8/26/26 SB Meeting. Lisa Satorius asked to resign from Rec Committee. Simon Cohen will be added to the Rec Committee with SB approval at 9/9/26 meeting. Simon is involved with youth soccer program.

Discussion about the Rec Committee taking a stronger role in shaping the Town Plan. Agreed someone from Rec Committee – Dede with Jennifer—will try to attend the next Planning Committee meeting—5 P.M. 1st Tues. of month at Library.

Discussion--it would be helpful to get more material to Kent Hansen and see the format and guidelines they are following.

Discussion of facilitating greater use of Town Hall by the public. Concerns are the impact of noise on working offices. Much has been done regarding fire safety, wiring, plumbing, structural all good. ADA compliance still an issue. Select Board taking issue to Town Attorney. Jennifer will attend next Select Board meeting.

Skating—Dede and David will work on it. Old liner needs to be replaced. Skating also needs more volunteers to help with maintaining ice. Dave will check on size of liner (50 X 150?) David will look into funding the liner and ask Jasper Hill since they use it every year for Curds and Curling.

Sailing—Burr Gray reported a good summer for sailing with 31 regulars. Started 1st week of July and the season is just now ending. Burr hopes to create an instructional program.

Swimming—Discussion of swim program. David says Teach America to Swim is too expensive. Jennifer wants more data—participants names, contacts, other data—measurements of outcomes of the program; discussion about problems when storm comes up and safe place for swimmers to go. The SB chair signed the contract that obligated the town to provide the indoor space, but neglected responsibility and didn't help to solve the situation but instead made it difficult to get access to Town Hall.

David is going to contact other instructional providers.

Discussion of Bend Pickle Ball Court. Agreed players should just go ahead and get it set up.

Next meeting Tuesday Oct. 6th 9 A.M.
