May 2025 Selectboard Report

- Had the compressor on the sprinkler system fail at the station. Needed to have it replaced.
- The batteries on the tanker died and needed replacement. They are replaced and also need a new slow charger on the tanker as well. It is on order
- Any questions on the Engine 2 Rescue 10 replacement options??

We have responded to 4 alarms since the last report.

2 – Alarm activations canceled enroute
1 – Mutual aid to Hardwick car accident
1 – Mutual aid to Hardwick Electrical fire

Thanks
